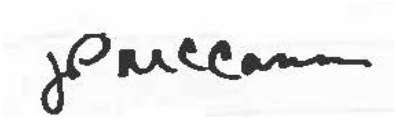
PWS ID # 04-10-130

System Pressure Advisory Rescinded

The Village of Bald Head Island Utilities Department has rescinded its November 23, 2026, system pressure advisory issued for Royal James (Bay Tree Trail, Clapper Rail Court), Pintail Court & Widgeon Court

Bacteriological analysis results of the drinking water sample collected show NO Coliform bacteria present. The system has resumed normal operations.

This order is hereby rescinded on November 24, 2026, by:



JP McCann, Public Services Director
Village of Bald Head Island Utilities
(910) 457-7350
