Burning Ban – Due to Public Health Concern from the smoke being emitted from the large wildfire in Horry County, SC, Brunswick County Fire Marshal Scott Garner instituted a burning ban in Brunswick County effective at 1:30 p.m. on April 23, 2009 until further notice. The countywide burning ban prohibits open burning within 100' of structures.

GO Bond Referendum – As a result of the Council's approval to set a bond order and setting of the bond referendum, staff has been working on the financing plan and working with the Board of Elections on address verification for potential voter registration.

Topsail Beach Private Sand Placement Project – Calvin met with officials at Topsail Beach to discuss opportunities for the two governments working together to entice prospective contractors to bid on both projects to hopefully ensure adequate response and good pricing.

IHA/Tax Valuation – Staff has mailed out to all affected properties in the current IHA that will not be able to develop property due to the 8' erosion rate and provided them with the documentation to appeal to the BC Tax Assessor.
