

## Post Office Boxes

All property owners on Bald Head Island are eligible to receive a post office box for their use at no charge. (There is a \$6.00 key deposit required by the USPS.) To open a post office box, simply stop by the post office and we will help you. According to the USPS guidelines, when you apply for a post office box **two valid forms of identification** are required when you obtain your keys. One item must contain a photograph and one must be traceable to the bearer (prove your physical address).

Photo ID options:

- Valid driver's license or state non-driver's identification card
- Armed forces, government, university, or recognized corporate identification card
- Passport, passport card, alien registration card, or certificate of naturalization

Non-photo ID traceable to bearer options:

- Current lease, mortgage, or deed of trust
- Voter or vehicle registration card
- Home or vehicle insurance policy
