INCREASED BARGE TICKET PRICE

Effective June 7th 2021, the price of a barge ticket will go from \$55.00 to \$60.00.

This is for a round-trip, six feet in one lane, on the deck of the barge. Vehicles greater than a six-foot increment are rounded to the nearest whole number divisible by six (i.e. 11 feet would be rounded to 12 feet. 14 feet would be rounded to 12 feet. 15 feet would be rounded to 18 feet).

Deck loads are going from \$25.00 to \$40.00. A deck load allows up to six feet in one lane on the deck of the barge.
