

# **APPENDIX A:**

## **Plotted Beach Profiles**

---

This appendix contains plots of selected measured beach profiles from monitoring station -018+72 to 284+80, Bald Head Island, N.C. Stations locations are graphically depicted in **Figure 2.1** and listed in **Table 2.1**. Station coordinates are referenced to the North Carolina State Plane Coordinate System, North American Datum of 1983 (NAD83). Elevations are referenced to the National Geodetic Vertical Datum of 1929 (NGVD29). The monitoring surveys collected since November 1999 are summarized in **Table 2.2**.
