WHEREAS, the Village Council of the Village of Bald Head Island deems it advisable to make the improvements hereinafter described; and

WHEREAS, the Village Council has caused to be filed with the Secretary of the Local Government Commission of North Carolina an application for Commission approval of the bonds hereinafter described as required by The Local Government Finance Act, and the Secretary of the Commission has notified the Village Council that the application has been filed and accepted for submission to the Commission;

NOW, THEREFORE, BE IT ORDERED by the Village Council as follows:

Section 1. The Village Council determines that it is necessary to provide public transportation facilities, including ferry, barge and ground transportation assets, vessels and vehicles and related facilities and property, and including the acquisition and construction of such public transportation facilities, the improvement and expansion of existing such public transportation facilities and the acquisition and installation of furnishings and equipment and the acquisition of interests in real property required therefor, and to pay capital costs of such improvements.

Section 2. To raise the money required to pay capital costs of providing the improvements described above, in addition to any funds which may be made available for that purpose from any other sources, bonds of the Village are hereby authorized and shall be issued pursuant to The Local Government Finance Act. The maximum aggregate principal amount of bonds authorized by this bond order shall be \$54,000,000.

Section 3. Taxes sufficient to pay the principal of and interest on those bonds when due shall be annually levied and collected.

Section 4. A sworn statement of the Village's debt has been filed with the Deputy Village Clerk and is open to public inspection.

Section 5. This bond order shall take effect when approved by the voters of the Village at a referendum.

The foregoing bond order was adopted on the 20th day of August, 2021 and is hereby published this 25th day of August, 2021. Any action or proceeding questioning the validity of the order must be begun within 30 days after the date of publication of this notice.

The finance officer of the Village has filed a statement estimating that the total amount of interest that will be paid on the proposed bonds over the expected term of the proposed bonds, if issued, is \$28,650,000. This estimate is preliminary, is for general informational purposes only, and may differ from the actual interest paid on the bonds. There is no assurance that the assumptions upon which the estimate is based will occur. The occurrence of certain of the assumptions is beyond the control of the Village. Differences between the actual circumstances at the time the bonds are issued from the assumptions included in the estimate could result in significant differences between the estimated interest and the actual interest on the bonds.
