Re: North Carolina Utilities Commission Regulation of Parking and Barge

Dear Chad:

This letter follows my January 13 letter to you and the January 25 Village of Bald Head Island monthly Council meeting. The Village Council voted unanimously in open session to authorize the Village's attorneys to file a petition with the North Carolina Utilities Commission requesting that it assert regulatory jurisdiction over the parking lots and barge used in connection with the Bald Head Island Transportation System.

We will notify you of the Village's filing and will provide you with a courtesy copy of the petition.

Please do not hesitate to contact me should any questions arise or if you would like to discuss this matter.

Very truly yours,

Peter Quinn  
Mayor, Village of Bald Head Island
