**Commercial Area Master Plan Committee Meeting**

Notice is hereby given that the Commercial Area Master Plan Committee (CAMPC) of the Village of Bald Head Island will hold a kick-off meeting on Wednesday, November 9, 2022, at 9:30 a.m. in the Multipurpose Room of the Department of Public Safety Building located at 273 Edward Teach Extension, Bald Head Island, NC 28461. Members of the public are invited to attend in person and/or online and can access live audio of the meeting via Zoom. A link to the Zoom information can be found on the CAMPC webpage here: <https://villagebhi.org/residents-owners/commercial-area-master-plan/>. In person and online attendees will not have an opportunity to provide input or participate in the committee's discussion at this meeting.

Purpose of Meeting:

The Village is preparing a master plan for all undeveloped commercially zoned properties on the Island. The purpose of the master plan is to create a framework to guide future commercial development related to buildings, parking, vehicular and pedestrian circulation, stormwater, and landscaping. The plan may result in recommendations for enhancing the existing Code of Ordinances.

A committee has been appointed by the Village Council comprised of volunteers from the community with whom property owners can share interests, opinions, and concerns. It is anticipated that the master planning process will take approximately four months, during which the public will be invited to sessions with the design team to review the project process.

If you have any questions, please call the Village Clerk at (910) 457- 9700 ext. 1001.
