

COMMUNITY CARE / PROJECT LONGEVITY

Save the Date

Join us for a kick-off meeting to learn more about helping our neighbors so we can age in place on BHI.

Where: Department of Public Safety
Multi-Purpose Room
273 Edward Teach Ext.

When: Monday, October 9 | 9 AM - 11 AM

A representative from Brunswick County will be attending to provide info on services available to BHI residents.

Village staff will be sharing info on a new program called "Community Connect" a risk reduction tool which was built to keep citizens safer.

Public Safety will make a presentation on the services they provide to the island.

Christine Osborne from the Village Outreach Team will discuss the services provided to the island community

Joan Maggio will outline the initiative to provide volunteer support and will open the floor to ask for suggestions from the community.

Let us know you can make it or have any of your questions answered by sending an email to:
