Yard Debris Pick Up

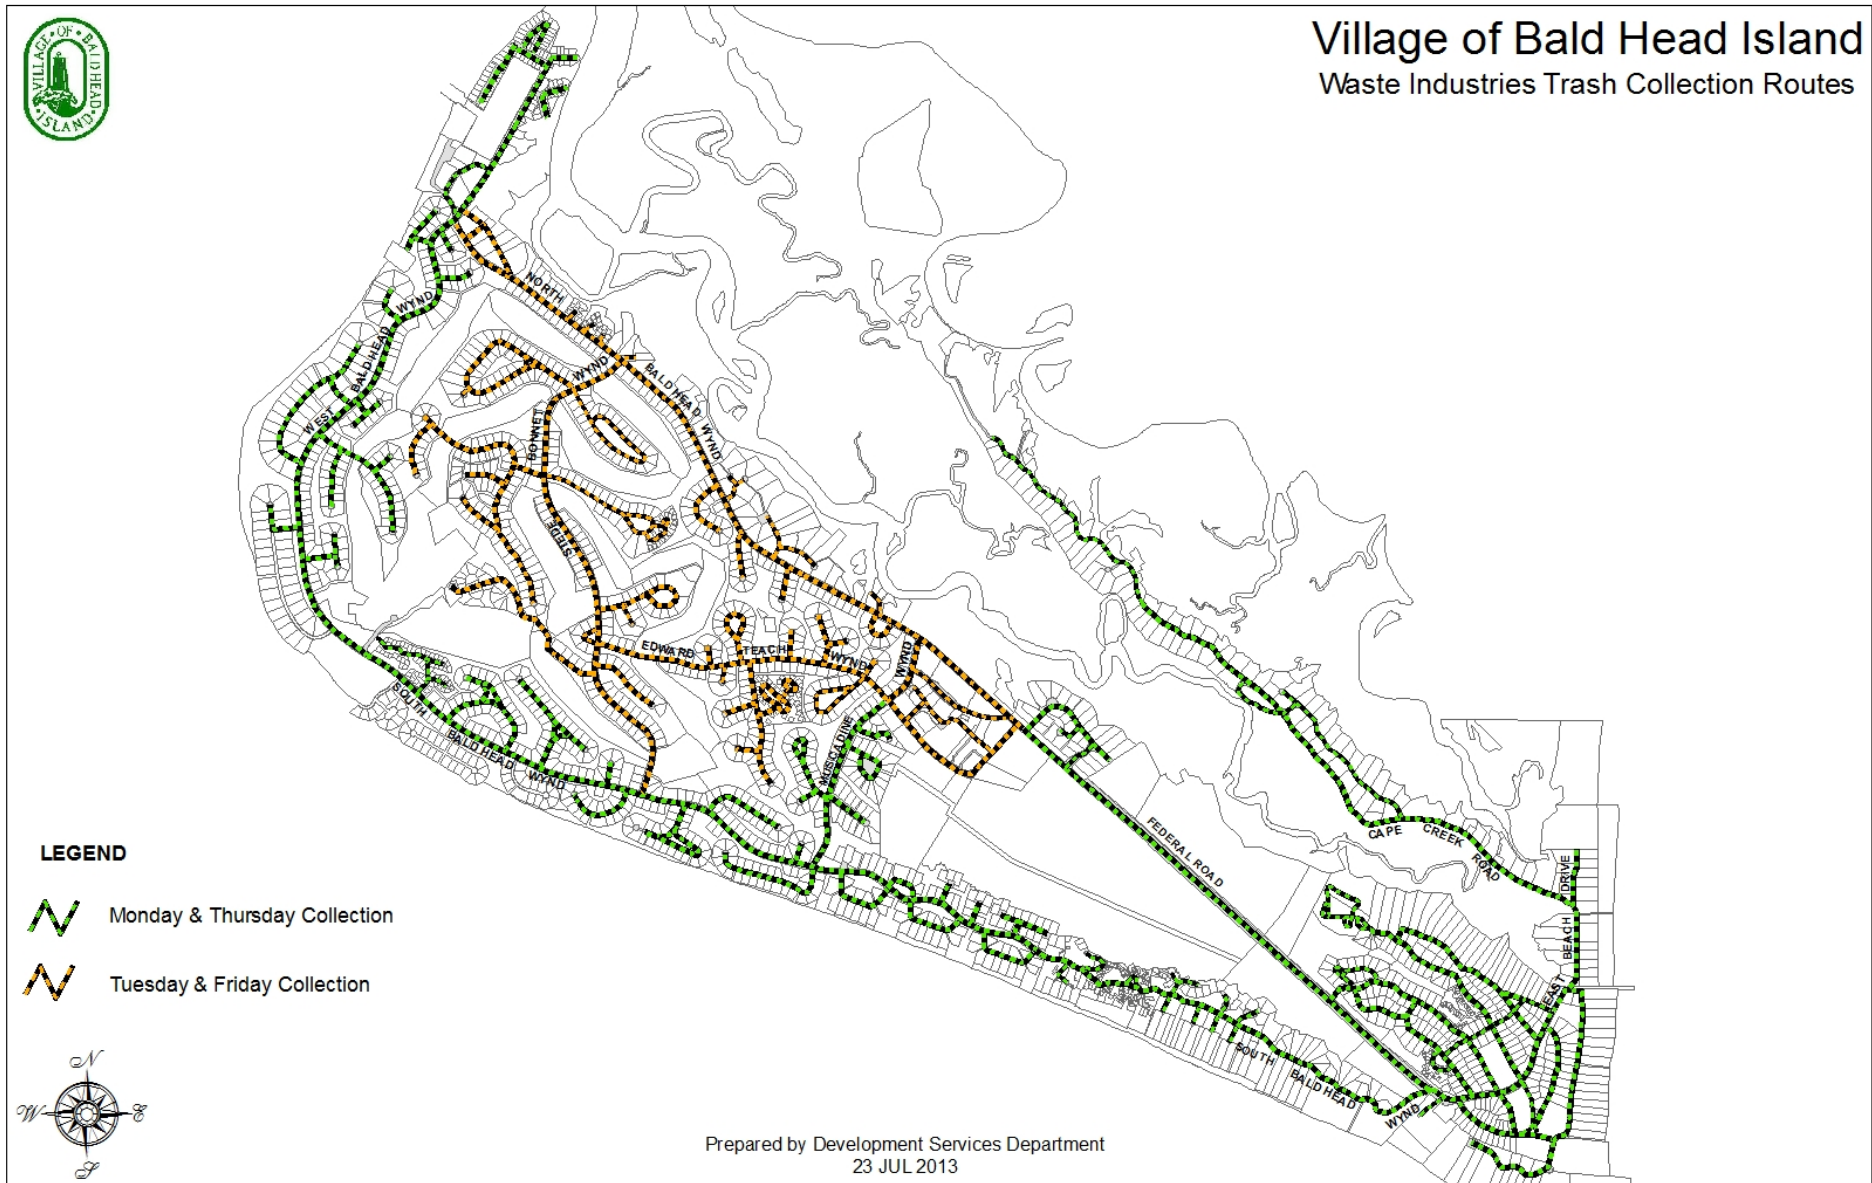

The Village has scheduled pick-ups of yard debris year-round for residents that do their own yard work and who occupy a home on the property. The Village will not accept limbs larger than 6 inches in diameter at the largest point. Piles should be left on the roadside. Please be sure not to cover up water meters or any other utility infrastructure.

To request a pick-up call 457-9700 ext. 1000 or place a work request [ONLINE](#). The request must be made no later than 2:00 p.m. on the day before the scheduled pickup. Requests made after this time will be scheduled for the next pick-up day. You must call in/or place an online work order, or it will not be picked up. **If you use a contractor/landscaper for yard work the contractor/landscaper is responsible for removing the debris.** Please be aware that the Village is not a lot clearing service, the house must be occupied to use this service.
