System Pressure Advisory Rescinded

The Village of Bald Head Island Utilities Department has rescinded its April 24, 2024, system pressure advisory issued for consumers on Windward Court. Bacteriological analysis results of the drinking water sample collected show NO Coliform bacteria present. The system has resumed normal operations.

This order is hereby rescinded on April 26, 2024, by:

A handwritten signature in black ink that reads "JP McCann".
