

The Village of Bald Head Island

General carpentry bid

Date: 1/21/2026

The Village of Bald Head Island is seeking quotes for deck and/or walking surface boards replacement of damaged boards, sand encroachment and other repairs to the following-Beach Access. All work performed must be done under a North Carolina general contractor license. All boardwalks, decks, and ramps shall use fasteners that will be stainless steel screws. All structural connectors and support brackets will be high-grade galvanized brackets, galvanized tie-downs, galvanized bolts, galvanized nuts, galvanized lock washers, and galvanized washers. All lumber at a minimum will be pressure treated, and ground contact rated. A combination of pressure-treated structural support and synthetic deck, surface, and/or railing components may be acceptable.

Quotes should include price for each access listed below.

| Access # | Work Need | Quantity |
|----------|-------------------------|----------|
| 15 | Beach End Extension | 60' |
| 19 | Beach End Extension | 52' |
| 20 | Beach End Extension | 70' |
| 21 | Dune over and Extension | 75' |
| 24 | Beach End Extension ADA | 40' |
| 26 | Dune over and Extension | 60' |
| 39 | Beach End Extension | 130' |

Quotes should be returned to the contact information found below prior to Friday 2/2/26 at 1pm.

Please contact the *Village Representative* (information below) to schedule a walkthrough. Walkthrough strongly recommended.

The bid should include all labor and materials to complete the job required to complete the job.
